9 <b>Saints</b>	MD 3	MD 4	2.5	2	1	0
10 <b>Bye</b>						

e.g. MD 1 = Manawatu League Division 1

**How does the Goal Handicap work ?**

Using the 2010 League in the above table here are 2 examples

**1 When Saints play Thirsties**

As Saints are a Manawatu Division 4 Team they will have a 2 goal start over the Thirsties being a team in Manawatu Division 1

**2 When Youth play Wolves**

As both teams are in the same league there is no handicap
